### CONFESSION OF SINS; (Unison)

Lord, many times we take for granted the things that you provide for us without our even asking. We go about our daily lives and our daily routines without even giving you thanks for the beauty of nature that you created that surrounds us. We often times take for granted that you are the creator and without you, there would be no creation. We humbly ask for you to forgive us and help us to overcome our weaknesses.

**In Christ's name, Amen and Amen!**
